Attention: VVS Qualifier Voucher Disbursement is different this year than in the past! There are 2 very important sections!

New! A chance to qualify for the Grand Finale via **The Remote Pre-Qualifier Tournament on July 29, 2017**. This is the only way that you can get more than 1 chance to qualify for the Grand Finale. Multiple Qualifier Vouchers will not be given for on-site qualifying in KC.

On July 15 the Remote Pre-Qualifier Vouchers will be offered to the **Top 7 Male and Top 2 Female**. If a voucher is declined it will be offered to the next player on the list and so on until all Pre-Qualifier Vouchers are claimed. The remote pre-qualifier vouchers will be distributed based on toc point standings in the Master Division on the TOC Standings Page without regard to VVS League Area.

A guy in the top 7 (or lady in the top 2) could decline a remote voucher (which would be passed down) but still be offered an on-site voucher. A player who plays in the remote pre-qualifier but does not earn a spot in the Grand Finale may be awarded a Qualifier Voucher for on-site qualifying in KC. A player who earns a spot in the Grand Finale via the pre-qualifier tournament will not be awarded a 2nd Qualifier Voucher for on-site qualifying in KC.

If all of those remote pre-qualifier vouchers are used that will leave 17 male vouchers and 10 female vouchers to be distributed for on-site qualifying in KC. These will be distributed based on toc point standings in the Master Division on the TOC Standings Page **except** that 1 male and 1 female voucher will be held back for 1 male and 1 female each from North Platte, Kearney and Hastings VVS League Areas. (If they don't happen to be in the top group on the Master Division)
