ATTENTION:

The tournament format will be 4 player/16 games.

This tournament is open to all teams from AAIO 4 & 5 Player Leagues.

Teams will be allowed to sub in during a match. All players must have 2 nights on that team.

Players can play on only 1 tournament team, regardless of divisional separations!

Player Eligibility Requirements:

Team Members: All players must have played in the 2022 VVS / AAIO Spring League.

4 ways to form a 4 player team (in order of preference).

A. All players have played 2 league nights with the same given team in the AAIO League.

B. 2 of the players have played 2 league nights on the same team, the 3rd and 4th players have played 1 league night on that same team.

C. 2 of the players have played 2 league nights on the same team, the 3rd player has played 1 league night on that same team and the 4th player (must have played at least 2 league nights) can be drafted from any team in this AAIO League. You will only be allowed to draft 2 players in the tournament.

D. 2 of the players have played 2 league nights on the same team, the 3rd and 4th player (must have played at least 2 league nights) can be drafted from any team in this AAIO League. You will only be allowed to draft 2 players in the tournament.

The drafted players can be replaced (if needed) only with a legitimate player from the original team that satisfies Option A, B or C.

Teams must have at least 2 players listed on each match scoresheet who have played on the same given team!

Those 2 players must have played at least 2 league nights on that team.
